Dear 'New Scout' Parent,

As we come toward each pack's Blue & Gold Dinner, I want to repeat our sincere invitation to your son to officially join our group this month. He's visited with us, perhaps at one or more meetings, or at camp. He's met our current Scouts, has been assigned to a Patrol, interacted with our positive adult leadership and experienced our superior Scouting program. We know there are many Scout groups available in the area, but I believe that he will get the most mentoring, individual attention and have the best promise of a great Scouting experience for many years to come with Troop 226. We look forward to your decision about his future Boy Scouting later this month.

***Dear New Scout:***

***Your first meeting as a new member of Troop 226 should be Tuesday, Feb 14<sup>th</sup> from 7:15 to 8:45 pm at the Strongsville United Methodist Church. We will remind you of your Patrol assignment, give you your troop t-shirt and Scout Handbook and get you started on your great journey we call Scouting. We're looking forward to seeing you next Tuesday!***

**Sincerely,**
